Acceptable Use Policy for Information Technology

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school A.U.P. is not adhered to this privilege will be withdrawn and appropriate sanctions - as outlined in the A.U.P. - will be imposed.

It is envisaged that school and parent representatives will revise the A.U.P. annually. Before signing, the A.U.P. should be read carefully to ensure that the conditions of use are accepted and understood.

School's Strategy

The school employs a number of strategies in order to maximise learning opportunities and reduce risks associated with the Internet. These strategies are as follows:

General

- Internet sessions will always be supervised.
- Filtering software and/or equivalent systems will be used in order to minimise the risk of exposure to inappropriate material.
- The school will endeavour to regularly monitor pupils' Internet usage.
- Students and teachers will be provided with training in the area of Internet safety.
- Uploading and downloading of non-approved software will not be permitted.
- Virus protection software will be used and updated on a regular basis.
- The use of personal floppy disks, memory sticks, CD-ROMs, or other digital storage media in school requires the school's permission.
- Students will treat others with respect at all times and will not undertake any actions that may bring the school into disrepute.

World Wide Web

- Students will not intentionally visit Internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.
- Students will report accidental accessing of inappropriate materials in accordance with school procedures.
- Students will use the Internet for educational purposes only.

- Students will not copy information into assignments and fail to acknowledge the source (plagiarism and copyright infringement).
- Students will **never** disclose or publicise personal information.
- Downloading materials or images not relevant to their studies, is in direct breach of the school's acceptable use policy.
- Students will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

Email

- Students will use approved class email accounts under supervision by or permission from a teacher.
- Students will not send or receive any material that is illegal, obscene, defamatory or that is intended to annoy or intimidate another person.
- Students will not reveal their own or other people's personal details, such as addresses or telephone numbers or pictures.
- Students will never arrange a face-to-face meeting with someone they only know through emails or the internet.
- Students will note that sending and receiving email attachments is subject to permission from their teacher.
- Internet Communication
- Students will only have access to messaging or other electronic communication fora that have been approved by the school.
- Electronic communication will only be used for educational purposes and will always be supervised.
- Usernames will be used to avoid disclosure of identity.

School Website

- Pupils will be given the opportunity to publish projects, artwork or school work on the World Wide Web in accordance with clear policies and approval processes regarding the content that can be loaded to the school's website
- The website will be regularly checked to ensure that there is no content that compromises the safety of pupils or staff.
- Website using facilities such as guestbooks, noticeboards or weblogs will be checked

frequently to ensure that they do not contain personal details?

- The publication of student work will be co-ordinated by a person appointed by the school.
- Pupils' work will appear in an educational context on Web pages.
- The school will endeavour to use digital photographs, audio or video clips focusing on group activities. Content focusing on individual students will not be published on the school website without the parental permission.
- Personal pupil information including home address and contact details will be omitted from school web pages.
- The school website will avoid publishing the first name and last name of individuals in a photograph.
- The school will ensure that the image files are appropriately named - will not use pupils' names in image file names or ALT tags if published on the web.

Personal Devices

Pupils using their own technology in school, such as leaving a mobile phone turned on or using it in class, sending nuisance text messages, or the unauthorized taking of images with a mobile phone camera, still or moving is in direct breach of the school's acceptable use policy.

Parents' videoing of school activities such as sports days, plays etc. is strictly for personal use and may not be published on a public website.

Legislation

The school will provide information on the following legislation relating to use of the Internet which teachers, students and parents / guardians should familiarise themselves with:

- Data Protection (Amendment) Act 2003
