

St Anne's School Pupil's Behaviour Pledge

God loves me. I am special and I deserve respect. I have the right to come to school to work and to play with my friends. I will respect them and they will respect me.

I will not tease people or call them names.

I will not tell stories about people behind their backs.

I will not leave people out of games.

I will not say mean things about people on the Internet.

I will not push or hurt people in the yard.

I will not take things that do not belong to me...

... because I wouldn't like that to happen to me.

I will pay attention in class and do my best at my work.

I will show respect to all grown-ups in the school.

If I see a problem in the yard or in the class I will talk to my teacher about it or find another grown-up in the school that I know and trust.

If someone gets hurt I will get a grown-up to help.

If I think there is going to be a fight, I just walk away and let a teacher know.
